RE: RECOMMENDATION LETTER FOR MARTIN KRAFT PRESIDENT OF EXPEDITE YOUR PLANS

TO WHOM IT MAY CONCERN:

This letter serves as a recommendation to Martin Kraft of Expedite Your Plans. Martin Kraft has developed a strong relationship with various municipalities and has mastered the submittal/plan check processes for commercial development. He has offered our company the expertise needed for our new construction of our Theatre to include the tenant improvements which saved our company time and money.

They worked with the county commission and got our Theatre special use permit approved without a glitch, visited the neighborhood council and development service departments to make our experience go smooth. These strong ties are critical to ensure approvals of discretionary planning and entitlement reviews.

His team also handles all submittals and paperwork while coordinating between state, city, county, and local government bodies. Martin Kraft has a clear understanding of the building and zoning code, permit fees and project requirements specific to each jurisdiction, which prevents common delays in gaining project approval.

In short we will never work with anyone else but Marty along with his company Expedite Your Plans. When it comes to building and planning they are the only company for the job!

Sincerely Yours,

Angelo Giordano
