

To Whom It May Concern:

I had the pleasure of working with Martin Kraft in 2009 on the Louis Vuitton at City Center in Las Vegas. His firm, Expedite Your Plans, was able to guide us smoothly through the complex approvals process for the store and for our hybrid illuminated facade.

I would recommend Expedite Your Plans as an expeditor for your project. Please feel free to contact me with questions.

Best regards,

Javier de la Garza, AIA, LEED AP
